Dear General Counsel,

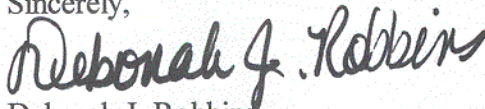

The Lincoln Club of Kentucky Pac respectfully requests an advisory opinion on the enclosed report dated 9-30-02.

The following reasons will explain our request:

- 1) The proceeds from Woodmere China, New Castle, PA., is not a political contribution or a gift.
- 2) We displayed and sold the "White House Collection" by Woodmere. We sent all monies to them and they sent us back our portion of the proceeds.
- 3) This is money that *we worked* to raise like other organizations do by choosing to sell hats, T-Shirts, etc.
- 4) Woodmere accommodates political and charitable organizations across the United States making available their collector China for sale.
- 5) This is not an item we can purchase in advance in large quantities. It is "made to order."

Thank you for your time and attention. We appreciate your help in this matter.

Sincerely,

Deborah J. Robbins
Vice President, Programs
